FREEDOM™ ELEGANT PLEATED SCREEN

- Perfect for a flush floor finish as the stylish concertina mesh retracts, leaving only a 5mm guide strip on the floor
- Spans to any width using the linked-panel connection system.

FREEDOM™ B12 PANORAMA PLEATED SCREEN

- Spans up to 5 metres in a single and 10 metres in a double screen
- Features a slimline 32mm frame and 15mm bullnose bottom track.

INNOVATIVE TECHNOLOGY

- The sleek retrofit housing neatly attaches to your existing opening and is available in a range of colours and finishes to match
- The recessed channel option is wheelchair friendly and suits flush doorsills. It allows the track to be recessed into the floor to avoid trip hazards
- The mesh neatly retracts into its housing until you are ready to use it.

ENGINEERED TO LAST

- Engineered to last the harsh Australian climate
- Backed by a limited five-year warranty with a nationwide distribution network with parts and service backup
- Made with quality Australian aluminium and premium UV resistant fibreglass mesh.

DISCREET

- The sleek retrofit housing is available in a range of colours and finishes to match your existing opening
- Recessed track option allows the track to be recessed into the floor, preventing trip hazards and allowing wheelchair access.

CUSTOM

- Custom made sizes to fit your exact requirements*
- Variety of finishes including powder-coated and clear anodised aluminium
- Available in the popular Dulux® powder coat range.
