

## FREEDOM™ ELITE PULL-DOWN

The Freedom™ Elite Pull-Down offers perfect screen solutions for windows and smaller doorways and is ideal for servery windows.

- Seamless seal locking without the use of magnets or latches.

- Simply tilt to release the brake and slide the screen up to allow items through then lower to keep the bugs out.

## ABOUT FREEDOM

Freedom Retractable Screens® are the industry leaders of retrofit retractable fly screens, offering the perfect fusion of style and cutting-edge technology for your home and beyond.

An Australian manufacturer dedicated to creating innovative screen solutions for french, bi-fold and sliding stacker doors and windows, as well as pillarless corners and large, difficult-to-screen openings.

Custom-made to fit all openings and available in a full range of colours and finishes.

We invite you to visit our website to view our full product range.

■ Freedom™ Elite is the perfect solution for smaller openings.

### INNOVATIVE TECHNOLOGY

- Features the easy-to-use tilt action patented Freedom™ Brake System allowing you to stop the screen at any position along the track
- Available in a pull across or pull-down system
- The screen retracts neatly into its housing until you are ready to use it.

### ENGINEERED TO LAST

- Engineered to last the harsh Australian climate
- Backed by a limited five-year warranty with a nationwide distribution network with parts and service backup
- Made with quality Australian aluminium and premium UV resistant fibreglass mesh; Pet-Lite mesh is a durable pet-friendly option.

### ECO-FRIENDLY

- Reduce your air-conditioning consumption and the associated electricity costs
- Great for the environment as it eliminates the need for insect repellents.

■ Easy-to-use tilt action patented Freedom™ Brake System.

## FREEDOM™ ELITE RANGE

### FREEDOM™ ELITE

Freedom™ Elite screen offers a unique solution for french, bi-fold and sliding stacker doors as well as servery, double-hung and casement windows and small openings. The Freedom™ Elite spans 2 metres in a single screen and 4 metres in a double screen.
